

Department of Electronics & Communication Engineering

M.Tech. in Communication Engineering

M.Tech. in VLSI and Embedded Systems

Modern Pedagogy

To develop the skills and knowledge students need to succeed in work, life and citizenship

Research Focused

To better understand published works, learn to balance collaborative and individual work, determine an area of interest, and jump start their careers as researchers

In-House Incubation Centre

Stipends are provided to eligible students to encourage them to be a part of department research activities thus strengthening their research skills.

MHRD'S INNOVATION CELL
GOVERNMENT OF INDIA

Encouraging students to take up entrepreneurship, the Institute has established an in-house technology incubator, as a part of well-thought-of incubation-cum-entrepreneurial eco-system

Institute Innovation cell with a purpose of systematically fostering the culture of Innovation

Industry Oriented

Equip students with Necessary Skill Sets, Experience, and Knowledge through Industry oriented Tailor made courses.
